INTRODUCTION

The Cork International Choral Festival highlights the best of choral music in Ireland. Ensure you are a part of this Festival and participate in one of our many National Competitions or in our prestigious feature event for Irish choirs – IRELAND'S CHOIR OF THE YEAR. Full information is contained in this syllabus. While the Festival takes place in dozens of venues across the city, the majority of the national competitions take place in Cork's City Hall, one of the most attractive and acoustically superb venues in Ireland.

The Cork choral experience is unique in Ireland. While participation in competitions raises performance standards, we believe that choirs also benefit hugely by performing, listening to and experiencing different expressions of the choral art. Even at international level the range of opportunities in Cork is considered special. More and more Irish choirs now extend their stay by also participating in church and informal performances; attending a range of Festival activities throughout the week, including our feature Gala Concerts, Fringe Concerts, Conductors Masterclass, Seminar on New Choral Music; listen to some of the finest international choirs selected to compete for the prestigious Fleischmann International Trophy Competition; and attend the weekend Festival Club to meet other participants informally in a convivial social setting.

Should your choir be interested in joining us in Cork but not wish to enter into competition, you may also consider participating non-competitively as part of the ever popular Afternoons in the Atrium, Choral Trail or the Sacred Trail Programme, or join in The Big Sing which is open to all. This will give your choir the opportunity to be part of a world-renowned Festival, sing in a friendly atmosphere, attend excellent concerts, and have the opportunity to explore Cork while meeting and mingling with other visiting choirs.
